SOCIAL JUSTICE Spotlight

Hi!

I'm Dr. Kimberly Gill, Assistant Dean, Student Success and Social Justice. I'm a Clinical Mental Health Counselor, Mom, Wife, Sister, Friend, Dog Lover, Coffee Addict, Reader, Traveler, Lifelong Learner, Dreamer, Hopeful Optimist, Faith Walker, Cancer Survivor, Mentor, Leader, Advocate, Ally, and Lifelong Student.

I am a Clinical Mental Health Counselor, Supervisor, and Consultant with over 20 years of experience in the mental health field. I have worked in various settings, including hospitals, outpatient mental health clinics, and community-based organizations, providing support to individuals and families navigating complex challenges. My clinical work has spanned a wide range of populations, including children, adolescents, adults, and families, addressing issues such as trauma, grief, substance use, and mental health disorders.

In my role as Assistant Dean, I'm committed to ensuring that every student feels seen, heard, and supported. My goal is to create a space where students can thrive not just academically, but also emotionally and socially. I believe in building strong relationships with students and providing them with the tools they need to navigate challenges and pursue their goals.

Outside of work, I enjoy spending time with my family and pursuing my own hobbies and interests. I believe in the importance of maintaining a balanced lifestyle and prioritizing self-care, which allows me to bring my best self to my work and my relationships.

Thank you for your support!

Dr. Kimberly Gill
