Creative Escapes During Covid-19

Summer Seminar Series for Faculty, Staff, Students, and the Community

Join us for this final event of the series this summer!

The Center for Research on Teaching and Learning Excellence (CRTLE) designed this series to showcase the work of our outstanding UTA faculty and provide an engaging series of sessions to stimulate your mind, relieve some stress, and enjoy some camaraderie during this time of uncertainty. Faculty, students, staff, and the community are invited! RSVP below to receive the link to join in Teams Live. ***This final session features active science and engineering experiments!***

Wednesday, August 5, 4 pm - 5 pm, Creative Escapes: Science as a Verb for Aspiring Teachers and Engineering Design. Dr. Greg Hale, College of Science and Dr. Melanie Sattler, College of Engineering
