This Week

The CRTLE Syllabus Student Learning Outcomes (SLO) Project is Back with *PHASE TWO!*

SLO Writing and Alignment

Write educationally sound, measurable student learning outcomes (SLOs) in your course syllabi, and **new this year** learn to effectively <u>align</u> your SLOs with course assignments and assessments. Doing so meets the criteria of HB 2504, THECB, the UT System, and SACSCOC accreditation and provides students with the clarity and framework for course expectations to support their learning success. *Lunch is provided for in-person attendees.*

NEXT SESSION:
Wednesday, October 25

12:00 pm - 2:00 pm
Trinity Hall Room 105

With the option to join online in Teams

CRTLE Interactive Session
on OpenAI ChatGPT

Using AI/ChatGPT to Elevate Thinking and Reasoning through Effective Teaching, Assignments, and Assessments

Join this session to learn positive, productive, and creative uses of Open AI ChatGPT in teaching, assignments and assessments in a variety of academic disciplines. The session is designed to be interactive and we invite participants to share their creative uses of AI/ChatGPT in teaching. We will host more sessions on this topic throughout the year, so save your ideas if we run out of time, and/or keep innovating! *Lunch is provided for in-person attendees.*

Thursday, October 26
12:00 pm - 1:30 pm
