Teaching to an AI Generation

Faculty, Staff, and Graduate Students are Invited

Wednesday, October 23

12:00 pm - 1:00 pm

Trinity Hall, Room 105 or via Microsoft Teams

OR

Friday, October 25

12:00 pm - 1:00 pm

Microsoft Teams Only

Nearly all students in today's college classrooms grew up connected to the internet, are true digital natives, and have a unique mindset to technology and learning. This session will discuss educational strategies and adjustments to teaching practices to help this generation of learners navigate the information they receive, critically think, and identify misinformation they may obtain with AI platforms. *The session will be repeated Wednesday and Friday; select the session that fits your schedule.*
