CRTLE Faculty Showcase:
A Celebration of Teaching Excellence

Focus on Teaching Excellence
Enroll in ACUE Stackable Courses
This Fall Semester!

CRTLE is pleased to provide our UTA community with stackable micro-credential courses from the Association of College and University Educators (ACUE) focused on promoting excellence in teaching. These four short micro-courses can be completed according to your schedule to earn the ACUE credential. The courses are fully online, asynchronous learning experiences with a facilitator and a cohort of faculty members across UTA. *ACUE at UTA is sponsored by UT System.*

Would you like to learn more about ACUE?

Join the ACUE information session sponsored by the UT System
Wednesday, August 21, 4:00 pm

[Register for the UT System ACUE Information Session Here](#)

Do you have questions about ACUE?

Contact us in CRTLE:
Ann Cavallo, cavallo@uta.edu or NaKesha Brown, nakesha.brown@uta.edu.

Sign up for ACUE now
The first Micro-credential course begins September 9!

Launching this Fall!
Student Experience Project

Division of Student Success and CRTLE Collaborative *Community of Practice Fellows Program*

Become a *Student Experience Project (SEP) Fellow* by joining this community of practice focusing on deliberate, mindful integration of research-based, positive student success elements into teaching. The SEP community of practice, funded through a grant from UT System, provides support for professional learning communities to emphasizes student success strategies in their courses, for example:

- Growth Mindset
- Resilience
- Self-Efficacy
- Trust
- Psychological Safety

For more information about the Student Experience Project, please visit this website:
https://studentexperienceproject.org/

Sign-up for the SEP Fellows Program

Professional Learning Community (PLC)
Program Begins September 27

Join our CRTLE PLC Fellows Program this year! Colleagues meet together twice a month on Thursday or Friday afternoons from 1 pm - 3 pm in person and/or online to learn, share ideas, and integrate unique, faculty driven, and innovative teaching practices into their courses. Fellows earn a stipend as well as other supports and benefits.This year's PLC topics are:

- The Theory and Practice of Storytelling in our Courses
- Creating Open Educational Resources (OER) and Using AI in Teaching
- Developing Multimedia Resources and Using AI in Teaching
- Implementing Sustainability in Teaching
- Leading Study Abroad to Enhance Global Learning

For more information contact Andrew Clark at amclark@uta.edu and visit the PLC website here.

Sign-up for the PLC Fellows Program

Join the MAFE Faculty Fellows Program!

Become a MAFE (Maverick Advantage Faculty Engagement) Faculty Fellow in CRTLE and work with colleagues to incorporate experiential learning activities into your course. Promote student engagement, meaningful learning, and transferrable skills in your courses using high impact teaching practices in this CRTLE program. Fellows earn a stipend along with other supports and benefits. For information on the program, access the MAFE Website and contact Susan Dequeant at dequeant@uta.edu.

Sign-up for the MAFE Fellows Program

Fall Service Learning and MAFE Networking Event!

Join us for a fun social and networking event with **Service Learning (SL)** and **Maverick Advantage Faculty Engagement (MAFE)** faculty across campus! This is an opportunity to reunite with other SL and MAFE faculty, share ideas, learn about new programs and initiatives, ask questions, or just catch up!. Curious minds are welcome! If you have never incorporated a service learning activity and/or Maverick Advantage activity into a course but want to learn more about it, please attend!

This event is open to all UTA Faculty and Staff!

RSVP for the SL/MAFE Networking Event

Artificial Intelligence in Teaching at UTA

Generative AI Guidelines for Instruction

The *GenAI for Instruction Guidelines* document is online and available for faculty to use on your syllabus and in course instruction. Access this document for guidance on UTA's stance on GenAI in the classroom, managing the use of GenAI in teaching, suggested syllabus statements, and the ethics in using GenAI in teaching and learning. *Download the GenAI Guidlelines for Instruction below.*

Download GenAI Guidelines for Instruction

For *GenAI Guidelines for Research*, *GenAI for Business* and additional resources supporting UTA faculty and staff, access the Artificial Intelligence at UTA website **here**.
