Borrower's Name: UTA ID:

The U.S. Department of Education's records indicate that you have one or more student loans and/or TEACH Grants discharged due to Total and Permanent Disability (TPD). If you are within the 3-year post-discharge monitoring period or conditional discharge period, your ability to obtain a new student loan may be limited and it will require the submission of several pieces of documentation before the UTA Office of Financial Aid can determine your eligibility for additional federal loan funds.

Please check the appropriate box indicating your desire for additional federal student loan funds:

I DO NOT want to be considered for federal student loan funds as confirmed by my signature below. (Return this signed form to the UTA Office of Financial Aid - no additional action is required.)

Signature Date

I DO want to be considered for federal student loan funds. I am including the following documentation (1, 2, and 3) as required for additional loan consideration:

- 1. A letter from the U.S. Department of Education or authorized loan servicer confirming that my previous loans were discharged due to Total and Permanent Disability (TPD) AND which indicates that I am currently in a post-discharge or conditional discharge monitoring period. Each letter must include the beginning and ending dates of the monitoring period and be dated within the past 30 days when submitted to the UTA Office of Financial Aid.
2. The signed borrower statement below stating that I understand that any new student loans received after my previous Total and Permanent Disability (TPD) discharge cannot be discharged for any present impairment.

Borrower's Statement

I acknowledge by signing this statement that:

- A new loan cannot be discharged on the basis of any present impairment unless it deteriorates so that I am again totally and permanently disabled.
If any prior loan and/or TEACH Grant was (1) conditionally discharged on or after July 1, 2010 and the three-year period has not yet elapsed, or (2) was discharged after July 1, 2010 and I am in a post-discharge monitoring period and the three-year period has not yet elapsed, I understand that collection must resume on the prior loan and/or TEACH Grant prior to my receiving a new loan or TEACH Grant funds.
If a defaulted loan was discharged and then reaffirmed, or was conditionally discharged and payment resumed on it, I understand that I must make satisfactory repayment arrangements on the defaulted loan before I receive a new loan and/or TEACH Grant funds.
I authorize the release of pertinent information to my schools, lenders, guarantor, subsequent holder, the U.S. Department of Education, and/or their agents.
