

If you reach the aggregate or annual limit on federal student loans or need additional funds, there are alternative loan options available.

COLLEGE ACCESS LOAN (CAL)

These loans are low interest, credit based loans from the Texas Higher Education Coordinating Board (THECB).

TO QUALIFY STUDENTS MUST:

- Be a Texas resident.
- Meet UTA's Satisfactory Academic Progress policy.
- Be enrolled at least half-time in a degree seeking program.
- Receive an approved credit check or provide a cosigner.

Access Loan.

PRIVATE STUDENT LOANS

Available through a variety of lenders, these loans have variable interest rates and repayment terms, and typically require a credit check.

To apply, students must contact their personal bank or other lending institution that fit their needs.
