

BENEFITS OF FWS

- Helps fund a portion of education expenses for eligible students and reduces reliance on student loans.
- Enables both graduate and undergraduate students to work part-time to develop valuable skills that will enhance their education and benefit them in their career planning.
- Provides eligible students with more job opportunities with flexible scheduling to allow students to keep their education as their main priority.

ELIGIBILITY & PROCESS

- Complete a Free Application for Federal Student Aid (FAFSA) to apply at studentaid.gov.
- Offered on a first come, first served basis.
- Accept offer in your MyMav student portal.
- Earn up to the amount offered in your financial aid package.
- Work up to 19 hours per week.
- Get paid twice per month for your hours worked through direct deposit as opposed to through your student account.
