

UTA Integrated Institution-wide Assessment Model

- **Course-level Assessment:** Individual faculty conduct; Results inform program and institutional assessment
- **Program-level Assessment:** Program conducts; Results reported through UEP and inform course, College and institutional assessment
- **College-level Assessment:** Colleges conduct; Driven by Strategic Plan; Reported through UEP and Dean's Metrics and informs program and institutional assessment
- **Institution-level Assessment:** Conducted using institutional student learning objective, QEP, and student achievement metrics results; Informed by UTA Strategic Plan; Results inform institutional planning vertically and horizontally
