Maverick Experience Open House

Oct. 25, 2025 | 8 a.m. to 3 p.m.

Encourage your students to attend Maverick Experience, UTA's signature open house event. This full-day program is designed for future students and their families to explore all that UTA has to offer.

During Maverick Experience, students will:

- Learn about admissions, scholarships, housing, academics, campus life, and more.
- Tour campus and discover what makes UTA unique.
- Visit the Application Station, where eligible students who apply at the event will automatically receive a \$75 application fee waiver.
- Bring unofficial transcripts to receive an on-the-spot admission decision.

UTA Scholarship and Financial Aid Night

Oct. 14, 2025 | 5 p.m. to 8 p.m.

Are your students exploring ways to make college more affordable? Invite them to join us for UTA Scholarship and Financial Aid Night, an informative event designed to help future students and their families learn more about funding their college education at UTA.

Event highlights:

- Learn about merit-based scholarship eligibility and requirements.
- Gain valuable insight into the financial aid process, including the FAFSA, grants, and loans.
- Learn about the Terry Scholarship Foundation, one of Texas's most prestigious scholarship opportunities.
- Attend the scholarship fair to connect with UTA representatives and explore additional scholarship options.

This event is open to all future students interested in learning how UTA can support their academic journey. Don't let your students miss this opportunity to take the next step toward making their education affordable and accessible. Students can sign up using the link below.

Life Sciences Building Addition & Renovation

The renovation and expansion of the Life Sciences Building, which began in 2023, is well underway. Scheduled for completion in fall 2027, the project will transform the facility into a modern hub for teaching, research and student collaboration.

Key features include:

- Nearly 88,000 square feet of new space
- State-of-the-art research and teaching labs
- Expanded classroom facilities
- Multiple student engagement areas
- Upgraded electrical, plumbing and safety systems

As construction progresses, students can already see the exterior changes and feel the excitement building across campus.

If you have a student interested in pursuing a degree in the life sciences, encourage them to sign up for a UTA campus tour to witness the progress firsthand and experience the energy on campus.

*Please note that the College of Architecture Planning and Public Affairs sets its own application deadlines.

UTA College of Business Launches New Hospitality Management Degrees

UTA's College of Business is expanding academic opportunities with the launch of two new degree programs designed to prepare students for careers in the global hospitality industry.

Beginning in fall 2025, students can pursue a:

- Bachelor of Business Administration in Hospitality Management
- Bachelor of Science in Hospitality Management

Coursework will include:

- Hotel and restaurant management
- Accounting and operations
- Marketing and sales
- Event planning
- Business analytics

Students graduating with these degrees will be equipped for careers across a wide range of industries, including travel and tourism, hotel and resort management, club management, theme parks, casino gaming and sports entertainment. With opportunities spanning from major hospitality brands to small businesses, students will be prepared to make an impact regionally and globally.
