

Minors in Laboratories or Similar Facilities at UTA

Monitor's Responsibilities during Laboratory Tours

Monitor of covered Minor(s):

- Confirms the names of all covered Minors participating in the tour.
- Ensures that the max # of covered Minors as established by Environmental Health and Safety (EH&S) allowed to tour the selected laboratory at one time is not exceeded.
- Supervises/ensures that the covered Minors are always in compliance with Minors in Laboratories or Similar Facilities Policy, the tour/program materials/EH&S safety requirements/ laboratory-specific guidelines (EH&S contact info: ehsafety@uta.edu, or 817-272-2185) and any Institutional Animal Care & Use Committee (IACUC) restrictions, directives, and/or required training concerning ABSL-1 and/or ABSL-2 laboratories.
- Ensures that for the full duration of the tour all hazardous materials are secured/all activities that could pose a hazard are suspended.
- Immediately notifies the Mentor, Laboratory Supervisor and EH&S if any of their assigned covered Minors are injured during the tour.
