

Minors in Laboratories or Similar Facilities at UTA

Laboratory Tours / Covered Activities Exceptions to the Policy

An exception to the Minors in Laboratories or Similar Facilities Policy may be initiated by a Laboratory Supervisor if the determination is made that any potential risks or disadvantages that may result from deviations to the Policy have been completely mitigated to ensure no additional risk to UTA .

Laboratory Supervisor must:

- document the deviation(s) to the Minors in Laboratories or Similar Facilities Policy
- document the rationale supporting the determination
- initiate the request for approval

Prior written approval must be received from:

- The Department Chair to whom the Laboratory Supervisor reports (if any) and
- The Dean (or his/her designee) of the Laboratory Supervisor and
- The Director of Environmental Health and Safety (EH&S) and
- The Vice President for Administration and Campus Operations and
- The Vice President of Research

Prior written approval must be received from:

- The Department Chair who controls the laboratory (if any) and
- The Associate Vice President to whom the Laboratory Supervisor reports (if any) and
- The Director of EH&S and
- The Vice President for Administration and Campus Operations and
- The Vice President of Research
