Important Note: Students wishing to pursue a Fall Student Teaching placement should be aware that this will require some semesters to have a heavy course load.

For ed-specific classes: "F" - Fall only class; "S" Spring only class; "FS" - Fall + Spring; "OF" – every odd fall

FT: Considered a full-time student when enrolled in Clinical Teaching (check with Financial Aid to see how much is covered at least one semester before clinical/student teaching)

* *Recommended only*: for full list of options, see <http://catalog.uta.edu/degreerequirements/generalcorerequirements/#text>
 [MUSI 2300 strongly recommended as it contains content for the **TE_xES Music exam** (Teacher certification exam)]

**MUSI 3394 Recommended to Fulfill Computer Competency requirement; see catalog for other options and information regarding competency exam

For observations to count toward the required Texas Education Agency (TEA) observations, you will be admitted into the Education Preparation Program (EPP) during MUSI 3316. See Dr. Lange for admittance information.

EDUC 3301 Diverse Populations,--students need to have 20-hours of observations in public school classrooms for this class. Students need to understand this requirement because if they have a heavy semester before clinical (student) teaching, they need to take Diverse Populations during clinical teaching.
