

Spring 2026: Big Band Auditions

TRUMPET

Jazz Ensemble Auditions for Trumpet will be held on Monday, Jan 12 from 11am-1pm in 367A. See attached materials for the prepared excerpt. You may also play a short excerpt (in any musical style) of your own choosing as well. This should demonstrate your ability on the instrument. Lead players may perform a lead excerpt. All players should be prepared to sightread a short excerpt.

Audition slots first come, first served, and should take no more than a few minutes. Auditions are always required for jazz ensemble participation. If you need to reserve a specific time or something outside of this timeframe, please email me at peter.clagett@uta.edu.
