This timeline is a recommendation, strategically developed for students' success, based on proper positioning of prerequisites and a balanced course load targeting a timely four year graduation.

An alternate plan would include 12 hours each long semester and 6 hours during the summer for a total of 30 completed hours per academic year.

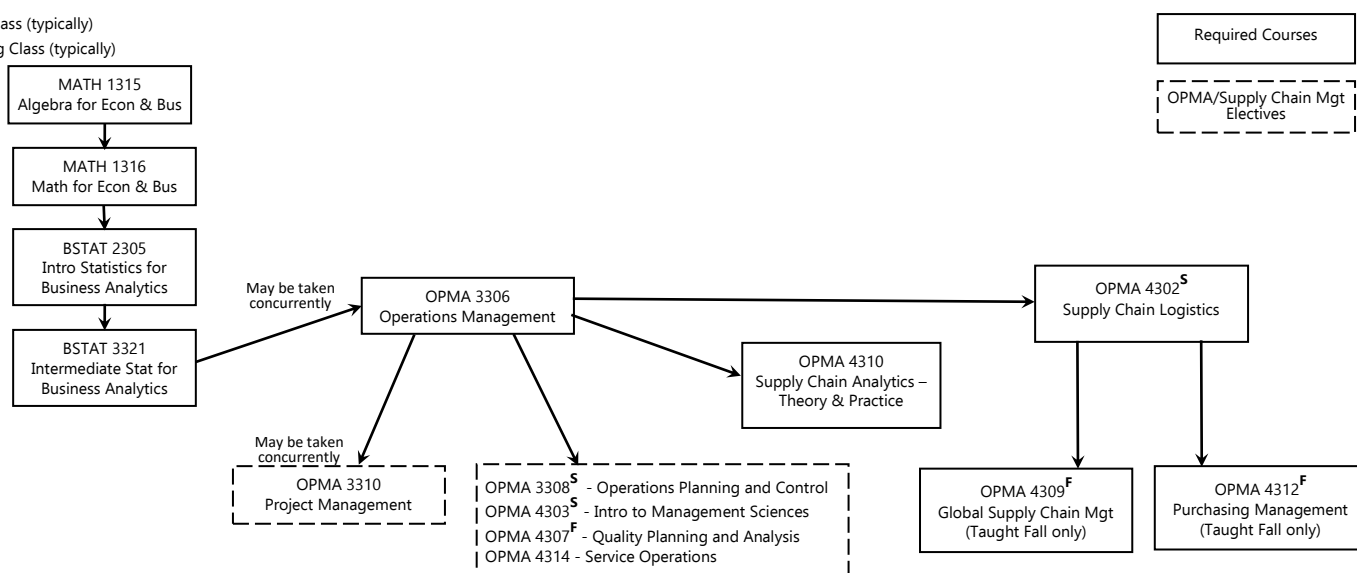

\* Per University requirements, freshman must complete a Student Success course during the first semester of enrollment.

\*\*It is very important for timely degree completion that you enroll in and successfully complete the following courses as quickly as possible: MATH 1315, MATH 1316, BSTAT 2305, BSTAT 3321 and OPMA 3306. Once you have completed OPMA 3306, enroll in additional OPMA requirements when offered and meeting prerequisite requirements. Typically, OPMA courses are taught in the semester indicated; however, this may change periodically.
