

In 2019, the College of Business launched the Dean's Leadership Circle (DLC) to fund scholarships for deserving students. We have seen great success in our first two years. Thanks to the support of donors like you, we're able to launch the next generation of Maverick business leaders.

More than **\$420,000** raised for DLC Scholarships

18 four-year scholarships awarded

"As a full-time student, part-time worker, and teacher assistant, the Dean's Leadership Circle Scholarship makes an immense difference. It's the distinction between working extra hours to pay for textbooks versus utilizing that time to study and exercising."

-Alexis Jauregui '24,
International Business

"Academically, I have noticed that being awarded this scholarship pushes me to keep my GPA above a 3.0. This motivates me to stay on top of my classes and do the best that I possibly can."

-Zaria Bilal '24,
Management and Marketing

"One of my main goals has always been getting into a good university where I can put in my 100% effort without anything holding me back. This scholarship has been a perfect blessing, given that I have been able to focus on my studies rather than worrying about my financial status."

-Prapti Sharma '25,
Information Systems and
Operations Management

Thank you for helping these students achieve their educational dreams. We look forward to continuing to award more scholarships as students apply. If you'd like to further your support to the DLC, you can make a gift at giving.uta.edu/business/dlc.
