by AACSB**  
**(Top 5% of Business Programs Globally)**

## PROGRAM OVERVIEW

The Master of Professional Accounting program is designed to prepare students for professional careers in the public, private, or governmental sectors. Through an intensive and leading-edge curriculum, students earn a comprehensive education built to prepare graduates to become a Certified Public Accountant (CPA). Offered weeknights in Arlington, the 43-credit hour Master of Professional Accounting program offers an intensive accounting curriculum for students with no prior background in accounting. Students in this program gain the fundamental accounting concepts needed to meet industry demands while becoming proficient in areas such as accounting systems, auditing, cost analysis and decision making.

## CAREER OPPORTUNITIES

- Certified Public Accountant
- Corporate Controller
- Chief Financial Officer
