

Certificate in Banking

Launch your career in banking!

DFW is a rapidly growing financial services hub, with more finance jobs than any metropolitan area after New York. Our certificate is designed to give you hands-on skills, industry insights, and a competitive edge for careers in commercial banking.

Available to all business majors.

Five courses in Finance, Accounting, Marketing, & Real Estate (4 required, 1 elective).

Required Courses

- ACCT 3308 – Financial Statement Analysis for Banking
- FINA 3317 – Financial Institutions and Markets
- FINA 4317 – Lending and Credit Analysis
- SALES 3344 – Selling Financial Services & Products

Electives (Choose any one course)

FINA 4315 | FINA 4319 | FINA 4351 | REAE 4319 | REAE 4334 | FINA 4393

To complete the certificate, you must achieve a GPA of at least 2.25 in the five courses, with a grade of C or higher in each course. In addition to the UTA Banking Certificate, you have the opportunity to earn the **Credit Essentials Certificate**, an industry-recognized designation offered by the Risk Management Association with no additional cost or coursework. We are the only university in DFW that provides this opportunity.
