College of Nursing and
Health Innovation

A MESSAGE FROM THE COLLEGE

Congratulations on your achievement. Graduate education represents a profound commitment to learning, resilience, and professional growth. You have navigated demanding coursework, rigorous expectations, and complex challenges with determination and purpose. Today's hooding ceremony marks not only the completion of your degree, but the continuation of your impact on the fields of nursing, kinesiology, and public health.

Your faculty and mentors have witnessed your insight, discipline, and dedication. We are confident that the work you will do—whether in our local community or far beyond—will reflect the same excellence you demonstrated throughout your time at UTA.

As you move forward, stay curious, keep learning, and remain open to what this next chapter brings. We hope you will stay connected and allow us the privilege of celebrating your future accomplishments.

Wishing you continued success on the path ahead.
