IV. HONORS RESEARCH SYMPOSIUM (HRS) PRESENTATION (Required)

The HRS presentation is typically done in the graduation semester; although not always. In what semester do you plan to complete HRS? Note: you must register for HRS with your Honors College advisor.

HRS Presentation Requirement (semester/year): _____

V. COMPLIANCE REQUIREMENTS AND SIGNATURES

The following documents must be included with this form:

- A 2–3-page, single-spaced description of the purpose and scope of your Capstone project (format must conform with the Honors College Capstone Proposal Guidelines); and
- Relevant research compliance approval forms, if required.

If you have any questions, contact the Honors College Capstone advisor.

Research Compliance Information: Complete the following table to ensure that all research compliance is met. You must confer with your faculty mentor to determine if research compliance is necessary.

If your research requires any of the following, attach a copy of the research compliance approval forms with your proposal. Proposals requiring approval will not be reviewed by the Honors College until the approval documentation is submitted.			
Human Subjects (IRB)	Yes	No	Date of Approval:
