

DIVISION OF STUDENT AFFAIRS

The Division of Student Affairs enhances the educational experience by providing programs, services, and opportunities that foster student learning, well-being, leadership development, belonging, and lifelong success. Working alongside academic and campus partners, we support every Maverick from orientation through graduation and beyond.

Student Affairs changes students' lives by fostering their involvement and engagement in safe, healthy, and diverse learning environments while nurturing an enduring sense of belonging in our UTA community.

PRIORITIES

- **The Student Experience:** Invest in our students' sense of mattering and belonging.
- **Community That Cares:** Deliver programs and services focused on the holistic well-being of students and staff.
- **Organizational Effectiveness and Excellence:** Optimize human, financial, physical, and technological resources.

2025-26 ACCOMPLISHMENTS

- Opened the 654-bed **Maverick Hall** with a 99% occupancy, expanding opportunities for students to live, learn, and connect on campus.
- Created and opened the **UTA Passport Acceptance Facility**, eliminating a barrier for students who might want to participate in study abroad.
- Launched **Maverick Compass**, strengthening the University's network of care by providing faculty and staff with a centralized resource for identifying student concerns and making informed referrals.
