

How do I download Unicheck report for specific submission?

Open the Unicheck report and click **Generate Report** button. Once a report is ready, the button name will change to **Download Report**. Click it to get a PDF version of the report.

The screenshot displays the Unicheck report interface. At the top left, it shows 'Academic Year-1' and 'Checked on 11/07/17, 4:26:20 PM'. A blue arrow points to the 'GENERATE REPORT' button in the top right corner. The main area shows a document preview with the title 'Effective Methods to Teach in 2017-2018' and the section 'Academic Year'. The document text includes: 'Every teacher is responsible for making a bridge between delivering new knowledge, and its comprehension. Keeping your ear to the ground of what students really need and comply with their interests is a sign of great educator. Being aware of and implying modern teaching methods is crucial, they make learning process engaging and cultivate a desire for a life-long learning. We, at Unicheck, would like to provide you an insight to the effective teaching methods that aim to understand your students more, consider psychological facets of learning as well as practical application that can't but give positive results.' followed by 'Spaced Learning' and 'Within the abundance of information, we face today, it is becoming hard for students to keep in mind everything, or they simply feel lack of time. It is up to you to create a surrounding environment and make it simple for your students to remember complicated things. The main principle of the spaced learning method is spacing repetition of the learning elements over time span. Student's memorization works better when material repetition happens with the course of time, thus long-term memory activates. The repetitions should be verbal. So, if you have a new concept, present it, then go to other'.
