## **Request For a Graduation Application Deadline Exception**

This form is for students who did not adhere to a posted deadline and have received special permission with exceptional circumstances, to still apply for graduation even after the published deadline has passed. After the academic dean's office signs off on the request, they will **email** the form to the Office of the Registrar via gradteam@uta.edu. If the form is incomplete or lacking required information, it will automatically be denied and the student will have to submit a new request.
