In Semester 5, you must select the following: (1) Thesis Route or (2) Non-Thesis Route

Thesis Route*:

6 credit hours	Semesters 5 + 6	SOCW 5396 (Replaces one advanced elective stated above)	
		SOCW 5398 (Taken in lieu of Integrative Seminar in Final Semester)	

*Questions about thesis? Review our [program manual](#) or contact Sophia.fantus@uta.edu (MSW Program Director)

Non-Thesis Route:

3 credit hours	Semester 6 (final graduating semester)	SOCW 5395 - Integrative Seminar	
----------------	---	---------------------------------	--

38 credit hours	Total Hours for Graduation
-----------------	----------------------------

Initial	I understand I must earn a 3.0 GPA to begin my placement practicum, and I understand I must earn a 3.0 GPA to graduate. At the end of my last semester if I have not earned an overall 3.0 GPA, I will not be eligible for my MSW degree, in other words I do not qualify for completion of the program.
---------	--

Initial	I understand that to apply for practicum, I need to do this through Tevera. I will receive an email with instructions. To apply for practicum, I understand I will have to pay a one-time fee for Tevera that covers my entire MSW degree (\$225 through Tevera or \$272 through the bookstore; paying through the bookstore allows the fee to be charged to student's financial aid).
---------	--

Initial	I understand that if I choose to take Integrative Seminar (instead of choosing the thesis option), I need to enroll in Integrative Seminar (SOCW 5395) ONLY in my final/graduating semester. I cannot enroll in Integrative Seminar BEFORE my final/graduating semester.
---------	--

Initial	If I am interested in the thesis route, I will work with my advisors at least two semesters prior to my final/graduating semester.
