PARENTING STUDENTS NEWSLETTER

HELLO MAVERICK PARENTS!

Balancing school and family is a lot, but you don't have to do it alone.
UTA offers resources, support, and a community to help you succeed.

MEET YOUR STUDENT PARENT LIAISONS

We've Been There, and We're Here To Help!

As former parenting students ourselves, we understand firsthand the unique joys and challenges of balancing college and parenthood. That experience fuels our passion for supporting parenting students and creating a community where every parent feels seen and supported.
