DESIGN YOUR JOURNEY

College of Business

Department of Accounting

Bachelor of Business Administration in Accounting

	Beginning the Journey	Trailblazing the Path	Destination Graduation
EDUCATE	- Apply for admission to UTA, submit all required information, and accept your admission. - Sign up for a New Maverick Orientation. - Schedule an appointment with your major advisor before orientation. - Become familiar with tutoring resources such as the IDEAS Center, Supplemental Instruction, etc. - Explore the department's website. - Review the Academic Calendar each semester for important dates such as the First Day of Class, Late Registration, the Last Day to Drop, etc.	- Complete the courses within the General Core in order to establish a strong foundational GPA before enrolling in more difficult junior- and senior-level courses. - Complete the following courses according to the four-year plan with a C or better: MATH 1315 and 1316, ACCT 2301 and 2302, ECON 2305 and 2306, and INSY 2303. (A delay in taking these courses will delay your graduation.) - Ask your major advisor about accelerated or fast-track programs. - Attend an "Open for Business" workshop provided by Graduate Business Services to explore graduate business degree.	- Schedule an appointment with your Accounting business advisor for a graduation audit once you reach 90 hours. - Submit final transcripts for courses taken outside of UTA. - Apply for graduation through MyMav. - Evaluate next steps after graduation. Will you be getting a job, taking graduate courses, etc. -Explore College of Business graduate school programs.
ENGAGE	- Attend Orientation and meet other business students during the college session. - Enroll in UNIV-BU 1131 (freshmen) or UNIV-BU 1101 (transfer) to learn skills that will aid in your success and build peer relationships. Enroll in all courses as soon as possible to obtain your ideal schedule. - Introduce yourself to professors and peers. - Familiarize yourself with the Career Development Center, activate your Handshake account and take the Focus2 Career Assessment. - Set up a MavOne account.	- Follow your APG or schedule an APG check up with your major advisor if you need to make adjustments. - If earning a D or F at mid-terms, consult with your professor and advisor about options. - Ask professors about career advice and/or internship opportunities. - Participate in Business Week (typically in the fall) and attend the All Majors Job Fair (offered at various times) - Join a registered student organization that pertains to your professional or social interests. - Volunteer for the Big Event or other community service.	- Attend a conference related to your major. - Attend speaker and special events. - Take on a leadership role within an organization. - Talk to professors and mentors about writing a reference
EXCEL	- Develop basic skills for success: attend class, be on time, read and complete all assignments, ask questions, earn Cs or better in all courses. - Research the BNSF Early Leader Program (freshman/sophomore) or Goolsby Leadership Academy (junior). See your major advisor for more eligibility. - Research the Honors College. See your major advisor for more information. - Explore MyMav Scholarshop for scholarship opportunities.	- Declare your business major after completing 12 hours of business at UTA and earning a 2.25 GPA in all GPAs. - Ensure you are completing prerequisites in order to avoid a delay in graduation. - Submit resume for evaluation through VMOCK, which is available in your BCOM 3360 course. - Participate in an internship or study abroad opportunity. - Research a company that you admire and/or would like to work for.	- Maintain a minimum 2.25 in your overall, business, and major GPA's with no D's in your major coursework in order to satisfy degree and graduation requirements. - Participate in the Commencement ceremony. - Join the UTA and College of Business Alumni Association. - Finalize any details related to a graduate program.
